

29mm White NTAG213

A 29mm round white sticker with NXP's full featured NTAG213 NFC chip. The 29mm ST711 is a very popular all round tag suitable for a wide range of general NFC applications.

A reliable tag, the 29mm provides a good balance between physical size and ScanStrength scan distance performance.

Can be provided with ID print and the 29mm face is larger enough for a QR code.
