

30mm ABS Disc NTAG213

One of Seritag's most popular asset tag products, this is a durable, water resistant black ABS disc tag made to IP66 standard (dust proof, powerful water jets). A high quality product, the antenna is a copper coil rather than etched inlay for stability and longer life. An ideal product for warehouse, industrial or general asset tagging indoors and outdoors.

Contains the full featured NXP NTAG213 NFC chip for features and the best ScanStrength performance.
